Magic Minds Trivia

Our first-ever **Magic Minds Trivia Night** was a tremendous success! Thanks to the enthusiasm and generosity of our participants, sponsors, and supporters, we raised more than **\$1,400** to help provide life-changing mental health services, integrated care, and advocacy for children, adults, and families throughout our community.

Held at Green Diamond Grille & Pub, the evening brought together community members for friendly competition, connection, and fun—all while supporting a meaningful cause. Every dollar raised helps Child Guidance & Family Solutions continue its mission of providing hope and health to families across the Greater Akron area.

Please Support Our Work

Child Guidance & Family Solutions is a 501(c)3 nonprofit agency. You can help us continue to serve children, teens, adults, and families who experience mental health crises and concerns by making a one-time or recurring, tax-deductible contribution.

Your support is especially critical now as we experience rapidly rising costs. The need is too important to risk limiting critical services.

We couldn't do any of this great work without generous donor support like yours!
